MEMORANDUM FOR: Supergrade Review Board

SUBJECT : CIA Supergrade Position Structure

REFERENCE : Memo dtd 12 Feb 53 for DCI thru DD/A fr Supergrade Review Board, subject: "Report of Board Meeting" w/att staff study

1. Attached is the referenced staff study, together with my recommendation to the Director that the increase be held in abeyance pending discussions of our revised budgets for Fiscal Years 1953-1954.

2. Inasmuch as the Director concurred in that recommendation, it is requested that the Supergrade Review Board prepare a brief of the staff study which the Director may use in his discussion with Mr. Dodge and representatives of the Bureau of the Budget. This brief should recapitulate the data involved in reaching our formula and final figures, eliminate the specific detail of names and position identification, present succinctly the arguments we offer in support of our position, and be in such form that, if necessary, it could be left with the Bureau for review.

3. Since we expect to meet with Mr. Dodge sometime during the week of 9 March, your memorandum should be in this Office not later than 6 March.
